## Rules

All bird entries must be paid for when entering whether penned or not.

An exhibit, when entered for a show, must be solely and unconditionally the property of the exhibitor, at least 21 days before show date.

Birds to be **penned by 10am** on the morning of the show and not removed until notified by the show manager. Judging is listed to **start at 10.30am**.

The club takes no responsibility for any bird lost or stolen during shows.

A bird may only be removed from the pen with permission from the Show Manager or a Judge. An ill or diseased bird will be removed by the owner, under the instruction of the Show Manager.

No bird is to be entered in more than 1 class except where it becomes eligible for championship awards.

The Show Manager is in charge once birds are penned on the day of the show.

The Judge's decision is final.

The club reserves the right to appoint extra Judges on the day should they feel it necessary.

If Judges on the day of the show cannot agree on a decision, an independent Judge can be called by The Committee on the day to make the decision. The Committee on the day is to consist of the President, Secretary and Show Manager.

The Club will not tolerate any person making offensive or leading remarks.

Any disputes or complaints on the day, are to be handled by the Committee on the day.

A Junior shall be a person aged from 5 years and who has not had a sixteenth birthday on or before the show date.

Juniors may enter in the open or junior section of the show, but not in both on the same day.

Juniors must enter birds of a **different breed OR different variety** than seniors living at the same address. A bantam is to be considered as a different variety.

Juniors must pen their own birds; however, they may seek assistance.

Juniors are to enter as per open section of schedule stating class number prefixed by a "J".
