JUNIOR HANDLER CLASS

Promoting the junior members has and will continue to be a priority of the Langshan Club of Victoria. It is these members who are the next generation of hobbyists; to protect, develop and continue the pure breeds of poultry into the future. Most clubs now have a keen group of juniors who care for their own birds and prepare them for the shows.

The Junior Handler classes are where the young fanciers have the opportunity to show the judge their knowledge of the bird, handling skills and discuss their show preparation. The juniors are required to take their exhibits out of the pens and demonstrate their handling of their birds. A steward will assist by holding the pen door open for them. The judge will sit with the junior handler exhibitor who will be prompted to talk about their bird, how they feed it and take care of it. They may be asked questions about the breed points of Langshans, and how they prepared it for the show. Putting the child at ease and including the questions by way of conversation is a good way of obtaining the required information. It can be surprising the level of knowledge shown by some of our young fanciers.

All of these factors are taken into account by the judge and score sheet will be kept by the steward which will remain the property of the club. The age of the child will also be a significant factor, which is why the Langshan Club of Victoria show has two age categories for the Junior Handler class.

These are the judging guidelines:	Quality of bird	20 points
	Involvement of exhibitor	20 points
	Knowledge of the breed	20 points
	Show preparation	20 points
	<u>Handling</u>	<u>20 points</u>
	TOTAL	100 points

Rules and Regulations.

- **One entry per junior.** Junior can enter as many Langshans in the open section of the show as well.
- **Non-Langshan Club of Victoria members will receive One Year Membership subscription for the Langshan Club of Victoria.**
- **Birds entered in the Junior Handler class can be entered in any other junior classes**
- **Langshans only. No other breed of poultry permitted.**
- **Neat tidy dress is required.**
- **Parents/guardians of the juniors must remain at a respectful distance from the judge and the juniors during judging.**
- **No interference by any person while the juniors are being judged will be tolerated.**
- **The judges decision is final.**
- **By following these Rules and Regulations will ensure that the junior exhibitors the experience of this new event**

Most importantly the Langshan Club of Victoria would like the juniors to enjoy the experience of this new event.
